The land

THE LAND

PORCINO RECIPE BY KAZUYUKI TANAKA

- Premium Quality Platinum Silicone
- 100% safe for health
- Heat resistance
- (from + 230°C/446°F to -60°C/-76°F)
- Easy to wash. Dishwasher safe
- Unbreakable
- Space-efficient
- Re-usable. 3000 guaranteed baking
- BPA Free.

Porcino evolves around the concept of nature elements reinterpretation in order to shape an innovative vision of taste. It can be used for aperitifs, main courses or special first courses. It's very versatile and can be used with mousses, creams, and preparations that recall the shape or, why not, with something else that creates a contrast, thus giving free creativity to the professional. The preparations can be stored and ready for use according to demand, thus reducing processing times at the pass.

BOTANICA RECIPES BY HANGAR78 TEAM

- Premium Quality Platinum Silicone
- 100% safe for health
- Heat resistance (from + 230°C/446°F to -60°C/-76°F)
- Easy to wash. Dishwasher safe
- Unbreakable
- Space-efficient
- Re-usable. 3000 guaranteed baking
- BPA Free.

Botanica presents two different shapes in each mold, providing many designs only with one mould. It can be used either with "pâte à cigarette" or with chocolate for creating elegant and refined decorations. It is useful for decorating dishes, first and second courses, to create original aperitifs or to give a refined touch to plated desserts.
