TATTOO ARTIST MONI

THE ART OF BEAUTIFUL GLASS

The glasses in the NACHTMANN Tattoo Botanical series feature prints of herbs, spices, and flowers as ornaments. These tattoo-style botanical ornaments come into their own as a foil for the contents of the glass; their presence transforms in response to the play of light, from discreetly decorative to supremely stylish. Water, white wine, and light-colored beverages draw all eyes when served in the Tattoo Botanical Black range, while classic aperitifs like the Aperol spritz or red wine become stunning esthetic statements in Tattoo Botanical White.
