# UNPRECEDENTED

## THE TRIPLE SIZED COLLECTION CONCEIVED WITH LLUC CRUSELLAS

- Extreme durability
- Impact and dent resistant
- Dishwasher safe
- BPA and other bisphenols free

Unleash your creativity with this unprecedented revolution: a double-textured collection conceived with Lluc Crusellas. Every single module in all the three Riflesso moulds has a smooth side and a textured one, making it possible to play with many colors and finishings.

# Appendix - materials

## Silicone

- Premium Quality Platinum Silicone
- 100% safe for health
- Heat resistance (from + 230°C/446°F to -60°C/-76°F)
- Easy to wash, dishwasher safe
- Unbreakable
- Space-efficient
- Re-usable. 3000 guaranteed baking
- BPA Free.

## Tritan

- Extreme durability
- Resisting to bumps and dents
- Dishwasher safe
- Does not contain BPA, BPS (bisphenol S) or other bisphenols
- Tritan™ moulds are much lighter and therefore facilitate the pastry chef's work when working with chocolate and, precisely because of the material's characteristics, guarantee perfect, super glossy results, with a much higher quality than polycarbonate moulds.
- They are also easier to clean, thanks to their more satin-finished sides.
